O R D E R:-

The Government direct that the work of distributing quinine and quinine products upon indents from various medical institutions within and without this Presidency which has hitherto been done by the Deputy Director of Agriculture, (Cinchona) shall be transferred to the Jails Department with effect from 1st April 1922. The Superintendent, Penitentiary , Madras, will be responsible for the work and will distribute the quinine etc., in accordance with the rules appended to these proceedings. Indents for quinine and quinine products should with effect from 1st April 1922 be sent to that officer and not to the Deputy Director (Cinchona) at Ootacamund as hitherto. Indents, if any, already received by the Deputy Director should be transferred to the Madras Penitentiary for compliance in accordance with the procedure now laid down.

(By Order of the Governor in Council)

H. G. Stokes,

Ag. Secretary to Government.

Rules for the distribution of Government quinine through the Agency of the Jails.

The following rules will be in force in supersession of all previous orders on the subject:-

(1) From 1st April 1922 all indents for quinine salts and cinchona febrifuge will be sent to the Superintendent of the Penitentiary, Madras, and not as hitherto to the Deputy Director of Agriculture (Cinchona).

2) The Superintendent, Penitentiary, will distribute quinine and cinchona febrifuge to the undermentioned authorities in British Provinces and in Native States formerly supplied direct by the --- Cinchona Department.

(i) to the undermentioned authorities in and for their respective areas:-

(a) The Officer in charge, of the Medical Store Depot, Bombay.

(b) The Superintendent, Yerrowda Jail, Poona.

(c) The Superintendent, Central Jail, Rangoon.

(d) Messrs. D. Waldie & Co., Cawnpore, for the United Provinc

(e) The Superintendent, Central Jail, Nagpur.

(f) The Chief Medical Officer in Rajputana.

(g) The Medical Storekeeper, Gwalior.

(h) The Medical Storekeeper, Hyderabad, Deccan.

(i) The Medical Storekeeper, Baroda.

(j) The Medical Storekeeper, Mysore.

(k) The Chief Medical Office. Quetta. Baluchistan.

(l) The Civil Surgeon, Coorg

(m) The Residency Surgeon and Chief Medical Officer, Travancore.

(n) The Chief Medical Officer, Cochin.

(o) The Officer in charge of the Medical Store Depot, Madras.

(ii) The Government and Local Fund medical institutions in the Madras Presidency, on indents signed, in the case of local fund and Municipal institutions outside the Presidency town, by the District Medical and Sanitary Officer and countersigned by the President of

the

the localboard or chairman of the municipal council concerned; in the case of the Madras municipality on indents prepared by the Health Officer of the municipality and countersigned by a medical authority to be nominated by Government. On receipt of such indents, the Superintendent, Penitentiary, Madras, will intimate to the countersigning officer the price of the quantity indented for and the cost of packing and transport.

(3) No quinine will be supplied to dispensaries or medical institutions belonging to private persons including mission hospitals or to private consumers direct or to retail or wholesale chemists.

(4) In the case of the authorities mentioned in rule (2) (i) the procedure will be as follows:-

A valuation invoice showing the total quantity of quinine and cinchona febrifuge supplied and the price will be issued by the Jail Department and on being countersigned and returned to the Jail Department a debit will be raised by the latter department through the accounts officer concerned against the authority receiving the quinine - vide Articles 1106 to 1108 of the Civil Account Code, Volume II, 7th Edition.

(5) Supplies of quinine to local fund or municipal institutions including the Madras Corporation within the Madras Presidency will only be made on production of a treasury receipt showing that the sum as intimated by the Jails Department (vide (ii) supra) has been credited to the proper head, viz., "18-Jails and Convict Settlements - Manufactures - quinine in bulk." On receiving the treasury receipt the quinine or febrifuge should be issued without delay. Government Medical Institutions in the Madras Presidency will settle their accounts with the Jails by book transfer as laid down in article 111 of the Civil Account Code.

No cash will be received in payment of any consignment by the Jail Department direct.

(6) The prices to be charged by the Jail Department to the authorities authorised to indent will be fixed from time to time by Government. The most recent orders on this point are those

contained

contained in G.O.No.296, dated 28th February 1922. In all cases the rates given are exclusive of the packing and forwarding charges which are payable by the purchaser.

(7) Adjustment of accounts between the Cinchona Department and the Jail Department.

(a) The Cinchona Department will supply quinine salts in uniform tins of not less than 5lbs, each and cinchona febrifuge in tins of not less than 20 lbs.

(b) In breaking bulk when necessary the Jail Department should note that quinine sulphate is packed with 15½ per cent of water of crystallization and great care should be taken that tins containing quinine are not left exposed to dry air; weighing should be done expeditiously and the atmosphere of the weighing room should be kept as moist as possible.

(c) In view of the difficulty of fixing the exact amount of quinine and febrifuge which should be allowed to Jails on account of dryage and wastage in breaking bulk the following provisional arrangements will be tried:

From a total consignment of 5,000 lbs. of quinine sulphate the Jail Department will report the exact loss sustained in breaking bulk and re-packing and should recover this amount from the Cinchona Department. This loss should not amount to more than half per cent. A report should be submitted to Government regarding the loss observed on the trial consignment through the Deputy Director (Cinchona).

(d) No debit will be raised until the close of the year by the Cinchona Department against the Jail Department for quinine or cinchona febrifuge supplied during the year for distribution but at the end of the year the Cinchona Dept. will receive credit for all the sale proceeds of quinine distributed by the Jail Department less the actual expenses incurred by the Jail Department in the work of distribution plus 10 per cent of such expenses.
